

CONFIDENTIAL

6 December 1978

MEMORANDUM FOR: Chief, Management & Assessment Staff, DDA

25X1 FROM : [REDACTED]
OP ADP Control Officer

SUBJECT : New Communications Support Requirements for
FY 1981 Through FY 1985 [REDACTED]

REFERENCE : OC memorandum (OC-N78-770) dated 20 Oct 78,
same subject

1. The Office of Personnel anticipates requirements for terminal installations and improved transmission circuits during the period FY 1981 through FY 1985. Specific requirements are:

6X1 3 Terminals -- Three at Headquarters: one to accommodate
the [REDACTED] after the Central
Cover Staff has completed their CENCO System;
one to support the activities of OP/Automated
Data Resources Branch if moved from [REDACTED]
25X1 [REDACTED] and, one to eliminate ODP key punching
of update data for Honor and Merit Awards Branch
and Central Processing Branch.

Upgrading of circuits to improve the speed of transmission and response between Ames Building and the Headquarters computer system.

2. Our presentation of the above stated new communications support requirements is based on the assumption that the Office of Personnel communications requirements for FY 1979 and FY 1980 will be accomplished. For your information and programming, there is attached our communications requirements for FY 1979 and FY 1980.
